Women Grievance Cell Committee

To ensure a safe, secure, and respectful environment for all female students and staff members, the college has constituted a Women Grievance Cell. The Cell addresses issues related to harassment, discrimination, safety, welfare, and gender equality within the institution. All grievances are handled confidentially, fairly, and impartially.

The committee works towards promoting gender equality and creating awareness regarding women's rights and dignity. Any grievance reported by female students or staff is handled confidentially and impartially.
